

ROVER COLOR IR DOME DUHD
CAMERA 4MP(2592X1520),
2.8MM, 24 IR LED
RDD-B12GIQ

FEATURES

- Digital Coaxial Transmission Technology;
- H.265+ Video Compression Technology;
- Real-time 4K display, recording, playback;
- Plug and see;
- Ultra Long transmission Distance : 800 meters;
- Highly Reliable Digital UHD Technology;
- Compatible with coaxial cable(RG6, RG59,5C2V, 3C2V)/RJ45 cable /twisted pair cable);
- No IP setting required. Easy set up like analog CCTV;
- Virtual Fence, Regional intrusion detection, People Counting - IVS (Intelligence Video Surveillance) function supported;

SPECIFICATIONS

MODEL	RDD-B12GIQ
CAMERA	
Sensor Resolutions	4 Megapixel
Max Video Resolution	2592*1520
Sensitivity	0.01Lux/0Lux(IR on)
Lens	2.8mm 4MP/F2.0
Angle of View	72°(H)
ICR	Mechanism IR cut Filter
LED	24pcs IR LED
Distance	15M
VIDEO / AUDIO	
Video Compression	H.265
Video Profile	2592*1520 / 2048*1520 / 1920*1080 / 1280*720
Frame Rate	Up to 30 fps @ 2592*1520, 30 fps @ 2048*1520, 30 fps @ 1920*1080, 30 fps @ 1280*720
Image Settings	Brightness, Contrast, Hue, Saturation, Sharpness, Shutter Time, Mirror, Flip, Motion WDR, Day & Night adjustment, 2D/3D Denoise, BLC, DeFog, AWB.
Video Bitrates Adjust	CBR
Channel Control	RS-232 serial data communications
GENERAL	
Input Voltage	12V DC
Water Resistance	IP66
Operation Temperature	-10°C+50°C

* Note: 2K Ultra HD Camera must be use with UVR (RUH-3600 Series).
* Design & specifications subject to change without prior notice.
